Carbon Neutral
by 2025

Why CPH is a Smart City!

- » Strong experience with integrated systems
- » Strong cleantech sector
- » Land owners and developers willing to engage in test and development
- » Concrete urban development districts implementing state of the art solutions
- » Ambitious goal: Copenhagen CO2-neutral in 2025

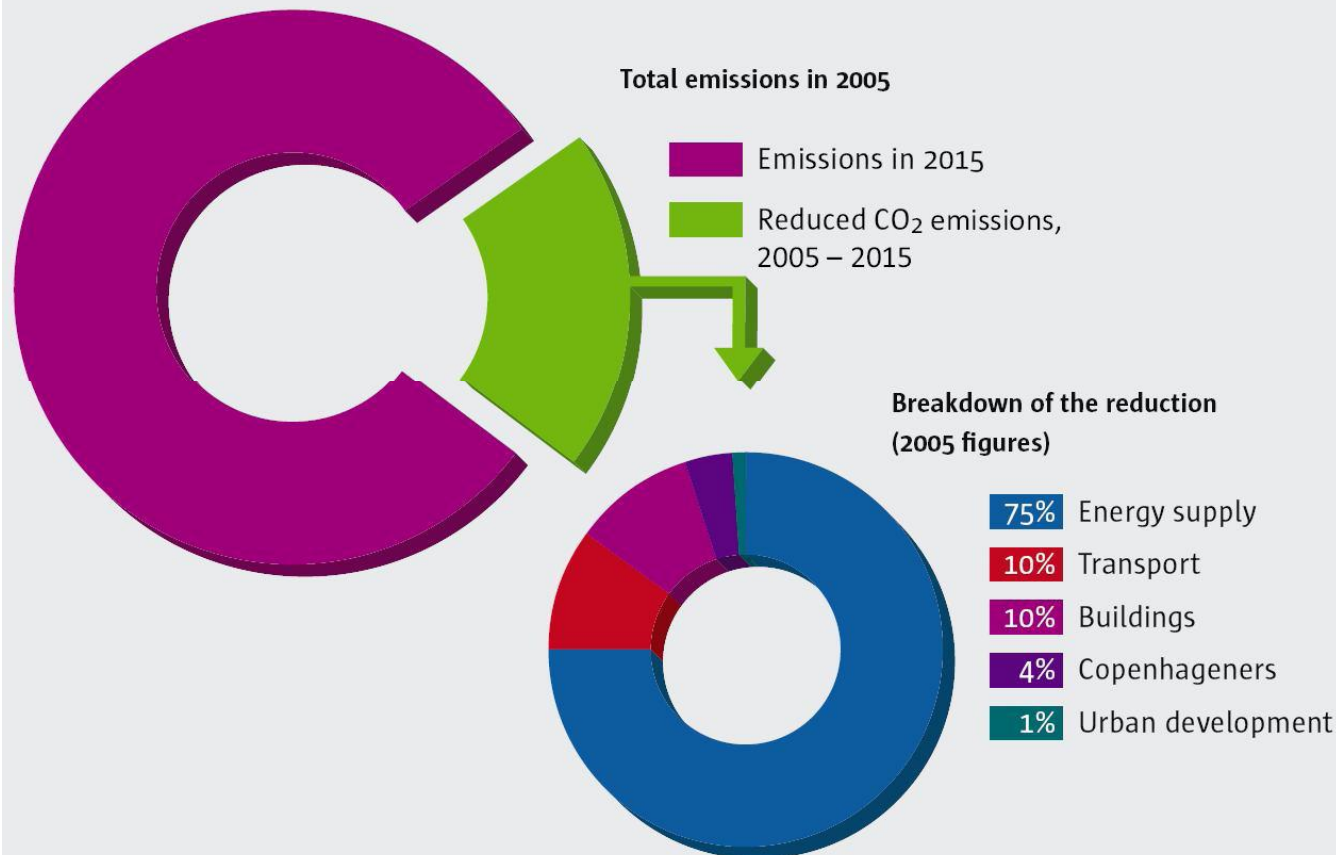

Carbon neutral by 2025

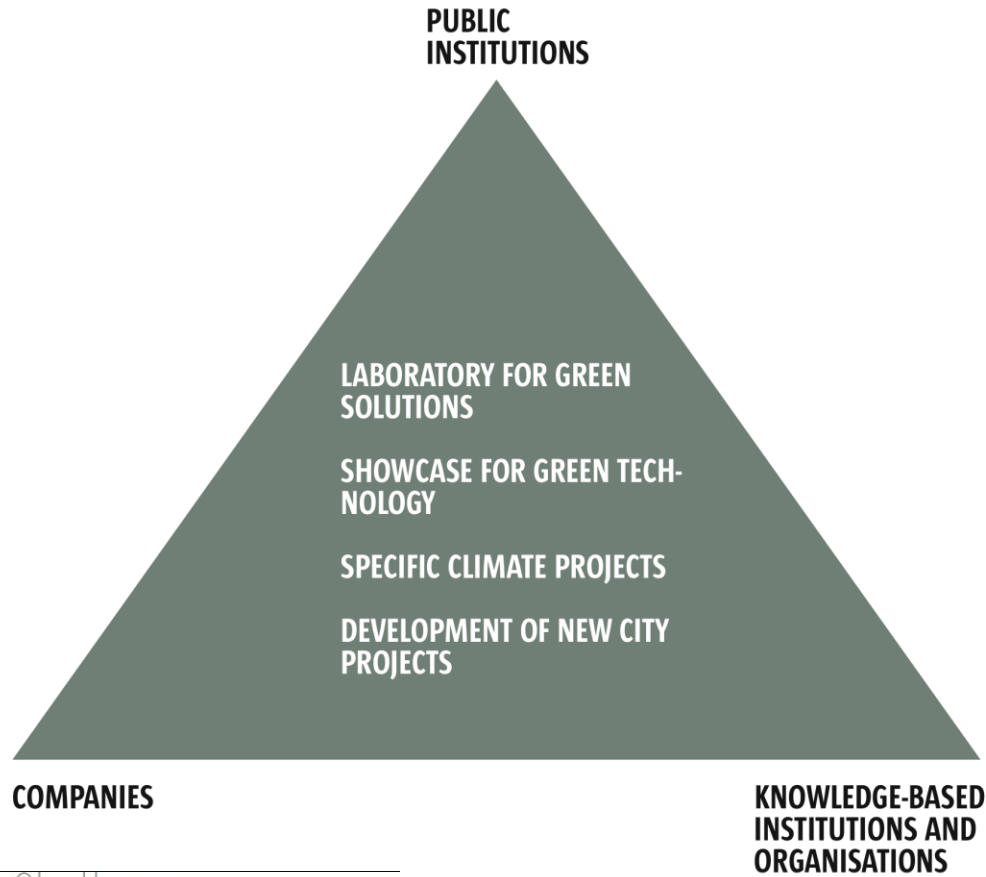

DISTRIBUTION OF THE TOTAL CO₂ REDUCTION, 2005 - 2015

GOAL:
CO₂ EMISSIONS REDUCED BY 20%
FROM 2005 TO 2015.

VISION:
COPENHAGEN IS CARBON
NEUTRAL BY 2025.

This is how we cooperate

Global Challenges
COPENHAGEN SOLUTIONS
